Defibrillator Training News

The Life Saving and Defibrillator training by LIVES was very well received.

Kirsty Raywood trained two groups of volunteers in her usual proficient and easy to follow manner.

We were so lucky to have such skilled trainers to help us out. During May, 48 people from the Village or the local area were trained.

Kirsty Raywood wrote, "We really appreciate getting our knowledge and awareness of LIVES out in the community. The more people who know how to save a life and not be scared of it, the better for all concerned."

As there was no charge for the training, and LIVES are all volunteers, we passed the bucket round for donations to support their work.

We collected £200 in total, over the two sessions. We would like to thank Anne Irwin for arranging the training and all those people who took part.

Thank you all!

2018

What will you make for 2019?

Village Hall AGM 2019.

The AGM took place on the 29th April and was well attended. It was good to see some new comers to Dyke attending the meeting. The agenda included a recap on all the developments over the year and a review of the plans for the future.

Anne Irwin and Dr Bryan Parkinson have retired from the committee after giving incredible service for a number of years. We will miss their hard work and their invaluable contributions.

A new committee was formed. An election wasn't necessary as sufficient nominations were received.

New Committee:

Mr Howard Gardner	Mr Robin Woodward
Mr Joe Rawding	Mrs Anna McIvor
Ms Laura Ritchie	Mrs Judy Clay
Mrs Deborah Bowers	Mrs Marilyn Howe
Cllr Brenda Johnson (New Mayor for Bourne)	
Cllr Phillip Knowles	
Mr Ian Sismey (Bourne Town Clerk)	

Chair: Howard Gardner Secretary: Marilyn Howe

Morton Street fair: Saturday 13th July, 10am to 4pm

Cops and Robbers Holiday club: Wednesday 24th to Friday 26th July.

Coming Soon to the Village Hall....

New Toilets....Just a reminder.

The work on the toilets will be starting very soon and should not take any longer than a couple of weeks. The hall will not be shut during the work, but there will be the need to close each of the toilets in turn. This will leave one set of toilets available for use.

Whilst this not ideal, we hope everyone will see the benefits on completion of the toilets. The funding for this project was provided by Groundwork through Tesco's "Bag for life" scheme.
